

South Australian Apple Users' Club

Welcome to SAAUC

SAAUC is a non-profit organisation whose aim is to support all owners and users of Apple Macintosh computers.

We are a friendly group, with members aged from 15 to over 80 years, and from beginners to the professionally experienced.

If you have just bought your first Macintosh, or have been operating computers for many years, SAAUC has something to offer you. Members' collective wealth of information is always given generously.

At a glance

- SAAUC Web site with access to other related sites
- Special member-only deals
- Monthly electronic *AppleSauce* magazine
- An email list on which members can ask questions and get help
- Training packages on recent and popular software
- Your problems solved: from deciding what to buy to solving conflicts

Meet with other Mac users!

Meetings are held on the first Friday of each month (except January) at 7:30 pm at the Salvation Army Hall, Marion Street Unley. Visitors are always welcome.

Daytime meetings are on the afternoon of the Wednesday after the Friday meeting.

Add these strips of pull-off tabs to the bottom of the flier: that way we get 24 tabs (or more) per flier
